May we administer first aid (clean-up, antibiotic ointment and band-aids) in case  
of splinters, scrapes, minor injuries? \_\_\_\_\_

Tylenol or acetaminophen ( for sudden fever only) \_\_\_\_\_

Benadryl (in case of stings or sudden allergic reaction) \_\_\_\_\_

We would be contacting guardian asap for any symptoms indicating Tylenol or Benadryl might be beneficial,  
but recognize that rapid administration of either might benefit sick child.

May we photograph your child at art camp and use his/her image on our website, social media  
and local print media (newspaper)? \_\_\_\_\_

We at The Art-Full Barn understand that accidents happen and stuff wears out,  
tears up and breaks (we have children, too!) However, in the case of deliberate  
and intentional destruction, parents will be called to pick up child, class money will  
not be refunded and parents will be held responsible for the cost of damages.
